

CORIAN® IN YOUR KITCHEN

Create your wish list and Corian® Solid Surface will make it come true.

Corian® Design believes in putting the customer at the center of every decision it makes - that is why it has adopted the brand tagline 'Make Your Space'. The kitchen is one of the spaces where Corian® products have gained worldwide popularity and success, thanks to a unique combination of material performance, design versatility, fascinating aesthetics and service efficiency.

Create work surfaces that flow seamlessly into sinks and backsplashes. Or throw out the rule book altogether and make something one-of-a-kind. The Corian® Design portfolio enables you to create a kitchen space that delivers the right feeling combined with the functionality to fit your lifestyle. Corian® Design understands that your space is where your life happens.

SINKS

When you make Corian® sinks an integral part of your kitchen, you are rewarded with an attractive surface and first-class functionality.

Durable and non-porous, Corian® sinks are as easy to maintain as they are easy on the eye. You may choose from an extensive range of sink styles - each showcasing the materials' extraordinary design versatility - and install them either as singles or in pairs to meet the aesthetic and practical needs of your kitchen.

Fluid forms in a choice of rich colours turn even the most basic kitchen elements into eye-catching designs.

UNIQUE

To create your dream kitchen, choose the shape and colour of your sink, then select where to locate the drainer grooves, coved upstand and hob bars. Corian® Solid Surface offers both aesthetical and practical benefits: a material that is streamlined and easy-to-clean.

TIMELESS

Corian® Solid Surface is designed to last. After years of wear, a simple re-sanding will restore the material's original finish and beauty to make it feel brand new.

SMART SOLUTIONS

The design versatility of Corian® Solid Surface allows for a variety of intelligent solutions that are well suited to the kitchen. Easily transformable into a range of shapes, the material may be used to create sinks and worktops that incorporate removable dish racks and cutlery holders. Furthermore it can be equipped with Corian® Charging Surface, a technology that permits users to power up smartphones and tablets wirelessly.

The innovative nature of Corian® Solid Surface allows for intelligent solutions that integrate seamlessly within the kitchen.

USE AND CARE

Corian® Solid Surface is a non-porous, stain resistant, homogeneous, durable and renewable material. It is by nature easy to clean, easy to care for and easy to live with. For everyday cleaning, use a damp microfiber cloth with a standard household kitchen spray. Further information can be found in the Use & Care Kit left by your Corian® Solid Surface installer.

RENEWABLE

Most damage, including severe impact, heat or chemical damage, can usually be repaired on site to restore the integrity of the original smooth, hygienic solid surface.

THE CORIAN® QUALITY NETWORK

The Corian® Quality Network aims to ensure that customers are highly satisfied with their installation in Corian® Solid Surface. Every member of the Corian® Quality Network is committed to making sure that customers receive the highest quality product and the best possible service.

THE WARRANTY PROGRAM

There are two levels of warranty protection for Corian® Solid Surface: product level and installation level. The product warranty is standard for all Corian® products and ensures that they will be free of manufacturing defects for a period of 10 years after purchase.

A higher level of coverage, the 10-year Limited Installed Warranty, is available when fabrications and installation are carried out by an Industrial Partner of the Corian® Quality Network. This Limited Installed Warranty expands the product warranty and ensures that the fabrication and installation of the finished Corian® products will be free of defects.
